

Team 484, ROBOFORCE - 2010-2011 Parental Permission

IMPORTANT INFORMATION – STUDENTS AND PARENTS

1. Fundraising: Students are required to participate in fundraising activities – light bulb sale, booster book, and car washes. If they do not meet their goals, they will be expected to contribute the balance in the form of a cash donation to Team 484.

2. Participation Fee: Students will be responsible for securing a \$100.00 fee to assist with expenses, team shirts, etc.

All checks must be made payable to “Team 484 Haverford Robotics Club” and must be received by December 17th, 2011. Any monies received after that time period will be greatly appreciated, but not counted toward individual student requirements.

3. Participation: Participating in at least fifty percent of all team meetings is a must. Attendance is taken at all meetings. A mentor must verify that you were present and actively participated. Attendance of 50% during the week before and after shipping is also required. Please advise Mr. Preddy of any special circumstances immediately.

If a student becomes ineligible to travel, there will be no refunds given for team fees.

Students and parents are required to complete and sign all forms required by the school district, and the FIRST organization.

Parental permission:

I understand these costs and expectations and am willing to make these payments if my son/daughter (student) is accepted as a member of the Haverford Robotics Team.
